

- ✓ 'Non-stick', easy-clean
- ✓ Anti-microbial
- ✓ Looks cleaner for longer

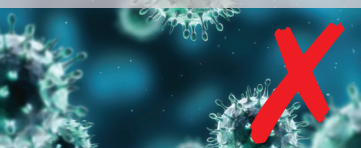

Smear & Germ-Resistant Glass Splashbacks

Protect
your glass
splashback
with unique,
award-winning
ClearShield®
'non-stick'
technology!

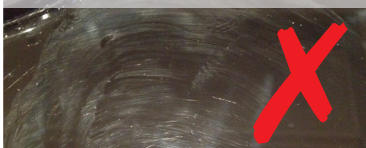

Great for
glass
worktops
too!

Less microbes for
improved hygiene

Stop smear marks
after cleaning

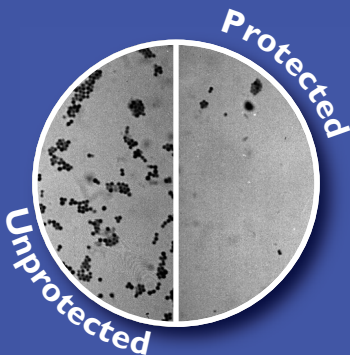

Working like 'non-stick' cookware, **ClearShield®** upgrades unprotected glass into **ClearShield Eco-Glass®**, a low-maintenance, anti-microbial surface.

- Saves cleaning time and effort
- Resists staining from fat and food residue
- Stop smear marks that appear after cleaning
- 97% less bacteria

ClearShield Eco-Glass® is independently proven to keep glass hygienically clean by resisting bacterial adhesion!

Micrograph of cells of staphylococcus aureus adhering to glass slides after washing

'In conclusion, the results clearly show that ClearShield firstly impeded adherence of bacteria and secondly encouraged desorption by washing.'

- UK Public Health Laboratory Service, Porton Down

Specially developed After-Care for Splashbacks

Cleaning your splashback no longer requires harsh and abrasive materials, which may be harmful to you and the environment.

After-Care for ClearShield® Glass has been specially developed to gain the maximum performance from ClearShield® protection.
